

Autumn: Year 1 Newsletter.

English:

We will continue to focus on letter formation and write dictated sentences from memory which are accurately punctuated and spelt correctly using the children's phonics knowledge. We will then begin to build independent sentences into our lessons.

We will have daily phonics lessons where we continue to learn new sounds to allow us to read more words.

RE:

Creation and Covenant

- The story of creation
- How we care for God's world

Prophecy and Promise

- How special a book the Bible is
- The Annunciation
- The Nativity

Homework:

The children will receive a homework grid every half term, the children can choose when they would like to complete the activities.

Please listen to your child read their decodable Bug Club Phonics book daily as well as practising number bonds to 10.

PE:

- Agility, balance, co-ordination
- Look, run avoid
- Throw, prepare, catch
- Hands, feet equipment

Dear Parents and Guardians,

Welcome to Year 1!

My name is Miss Ameyar and I am very excited to be your child's teacher. This term we will be focusing on helping the children settle into Year 1 and adjusting to a more formal, subject-based curriculum.

Opportunities to learn through play will continue, however learning will become more adult-directed. I am sure working together, we will continue to build upon the great progress the children made last year. If you have any questions or concerns, please do not hesitate to contact me.

Miss Ameyar.

Dates to remember:

PE will take place every Tuesday. The children will get changed in class and the PE kit will remain in school until the half term holiday. Please ensure all items of clothing (PE kit and uniform) have your child's name clearly visible to avoid items of uniform going missing.

Reading books will be changed every Monday, please ensure the reading records have been signed.

Art & Design Technology:

- Painting and drawing
- Structures: Constructing a windmill

Computing

- Computer systems and networks
- Recognising technology in school
- Creating media: Digital painting

Music

- Keeping the pulse
- Tempo

Mathematics:

Number: Place value (within 10)

- Count to 10 forwards and backwards
- Find one more and one less
- Identify numbers using objects and pictorial representations.
- Use the language more, less, equal, most and least

Number: Addition and subtraction (within 10)

- Represent and use number bonds and related facts within 10.
- Read, write and interpret mathematical statements involving + - and =
- Solve one step problems that involve addition and subtraction

Science:

- Animals including humans: focusing on ourselves and different types of animals

History and Geography:

- Past and Present: exploring the changes in living history and the history of me
- Huddersfield - Our local area: exploring the physical and human geography in our local environment
