Overall School Attendance

CLASS	% ATTENDANCE
Reception	98.3%
Year 1	97.0%
Year 2	98.0%
Year 3	**99.6%**
Year 4	**99.6%**
Year 5	98.6%
Year 6	93.3%

Excellent - 98>	Average - 95>	Below Average - <94

Week commencing 012/09/2026 Congratulations to Year 3 & Year 4 for this week's best attendance of **99.6%.**

I promise to show God that I will work hard and be a good learner.

Reception	Year 1	Year 2
28/30	26/30	26/30

Well done to all these children who came to school on time, everyday this week.

They earned Mission Points for showing their love of learning.
To receive mission points for punctuality you must have arrived at school by 9am every morning

Year 3	Year 4	Year 5	Year 6
28/30	29/30	28/30	24/30

Individual 100% Attendance Award goes to Olivia from Year 5

EYFS & KS1

18th September 2026

Nursery

We have had a very busy week this week in nursery!

We designed our own fish in the creative area using different colours and shapes.

The children and all of the early years staff are pleased to receive a certificate for 100% attendance this week!

As a group we spoke about what it means to be a good friend and made our own 'Kind Hands' display.

Reception

This week reception have been doing lots of work around the family and baby photos that were sent in from home. We looked carefully at the baby photos thinking about the changes between then and now. We used language such as past and present and enjoyed talking about the things we used to do when we were younger.

KS1

18th September 2026

Year 1

This week, we have been investigating how we categorise an animal as a reptile.

We discussed that reptiles have dry, smooth skin and live mostly on land and that they lay eggs. We were then lucky enough to have a special visit from a reptile - Dora the tortoise!

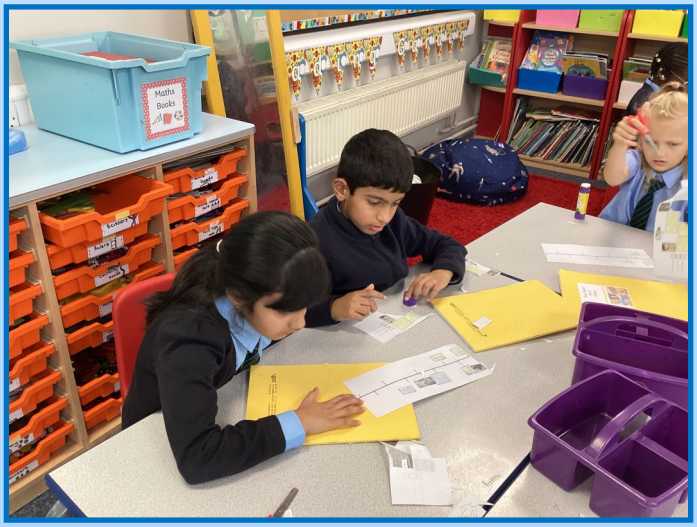

The children all loved learning about Dora (and other tortoises too!) and were very inquisitive and asked lots of questions about her diet, age and how to take care of her.

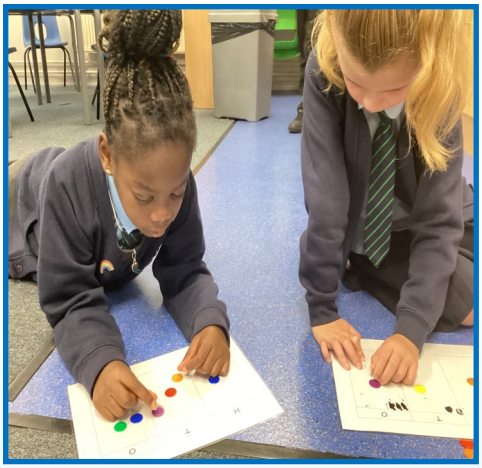

In history this week, Year 2 looked at ordering events into chronological order whilst starting to learn about 3 different explorers.

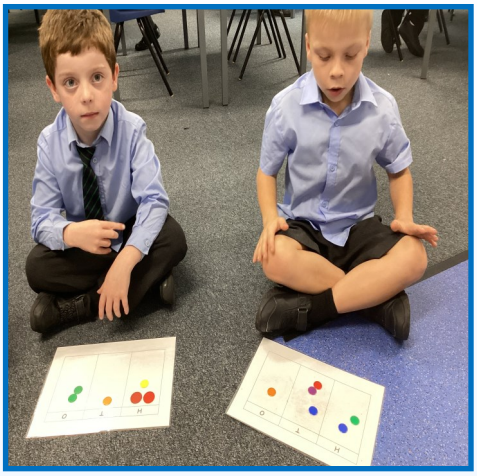

KS2

11th September 2026

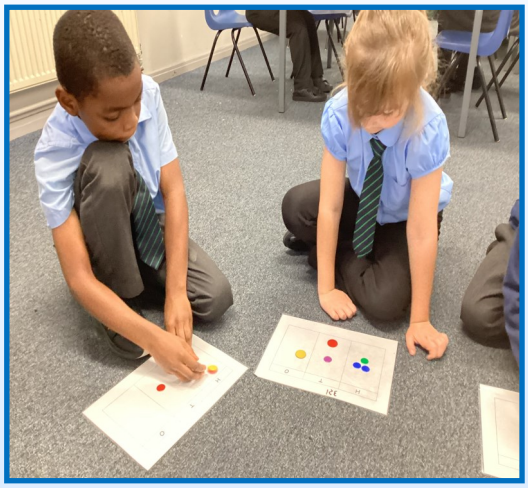

Year 3

In maths this week we have been working on our place value skills. As a challenge, we used place value charts to see how many different 3 digit numbers we could make with 6 counters.

Year 4

Year 4 have been getting practical with Place Value in Maths this week. We have enjoyed looking at the properties of numbers and understanding their value using counters, base ten and number lines.

You worked well with all the different types of equipment we used. Well done Year 4.

KS2

11th September 2026

Year 5 were treated to an art lesson from Mrs Parker this week. They produced some beautiful autumnal leaves which are now on display in the corridor.

This week, Year 6 met their seeds. They have loved getting to know them and spent Friday afternoon doing PE with them.

They will be joining us in assembly from Friday 9th October!
