This week we have been looking at matching colours and recognising patterns.
The children have been using counters and connecting cubes to make their own patterns.

Reception

This week in reception the children have been learning about The Creation Story. We talked about the things that make us say 'wow' about the world that God created and enjoyed re-telling the creation story using our own words.

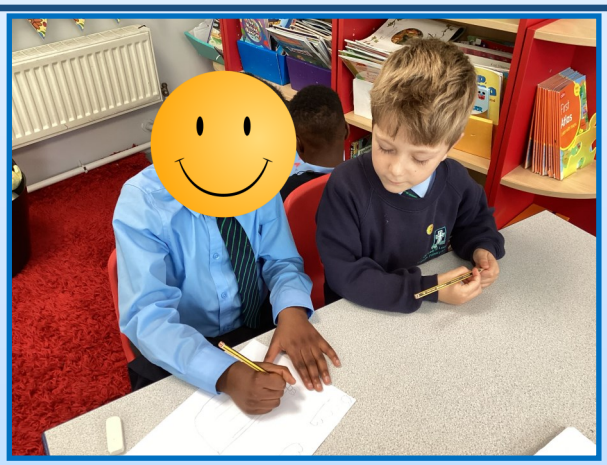

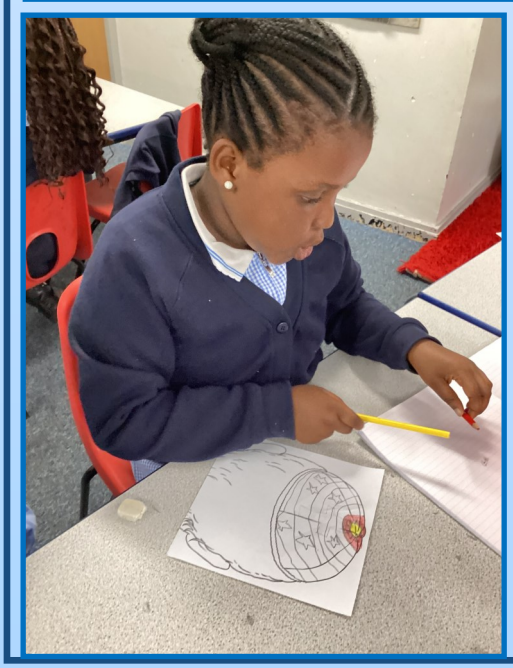

Year 1

This week, we have learnt that herbivores eat plants, carnivores eat meat and omnivores eat both plants and meat.

We then made our own food plates that we split into 3 parts and drew what a herbivore, carnivore and an omnivore would eat.

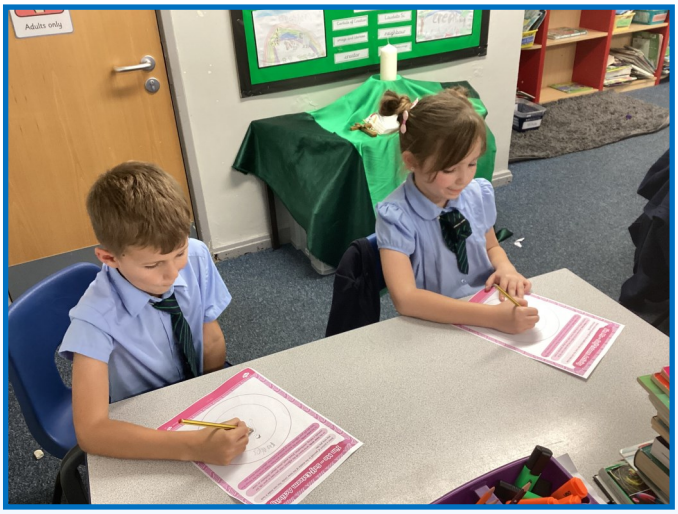

Year 2

Year 2 have been learning all about Noah in RE for the past couple of lessons.

We learnt all about his ark and why he had to make it and also about God's promise to Noah. We worked in pairs to make posters showing different parts of the story.

KS2

25th September 2026

This week in personal development Year 3 have been thinking about our similarities and differences. We have spoken how fantastic it is to have our own strengths and how we can share these with others.

We have also talked about all the different groups we belong to!

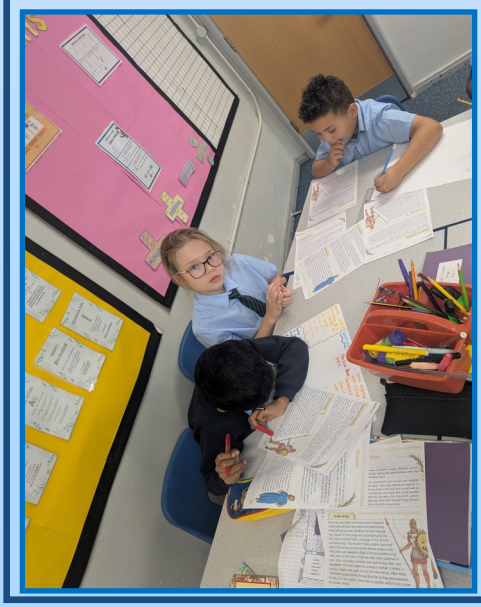

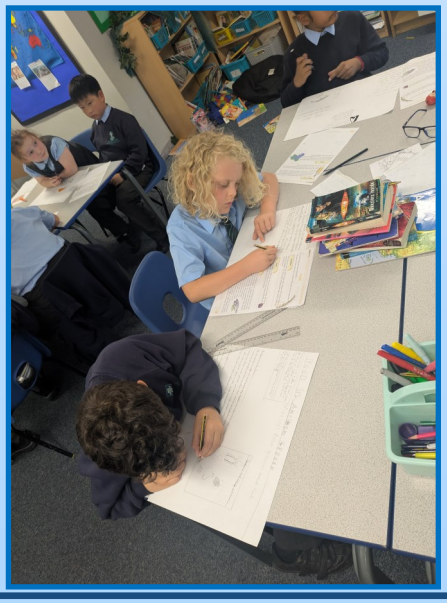

Year 4

This week, Year 4 were put into groups to research different aspects of everyday life in Ancient Greece. For example, What was education like for children?

We compared this to what life is like for children in Britain today. You made wonderful information posters and presented your findings sensibly.

Well done, Year 4 !

KS2

25th September 2026

On Wednesday, Year 5 along with members of the Junior Choir went to Leeds Cathedral to sing at the special Mass held for the Mini Vinnies.

They sang beautifully and received so many compliments from people who attended.

They even got to meet Monsignor Groggan and had their photo taken with him after Mass.

This week, Year 6 got to try out all of our new PE and playground equipment. They used (very responsibly) our new swing ball, spyder ball, frisbees, skipping ropes and other throwing games.

Well done Year 6!
