2nd October

Nursery

This week we have been looking at the changes during Autumn.

We went on a hunt to find leaves around school.

The children spoke about the different colours, shapes, sizes, prints and textures.

In class we have been enjoying learning new songs about Autumn.

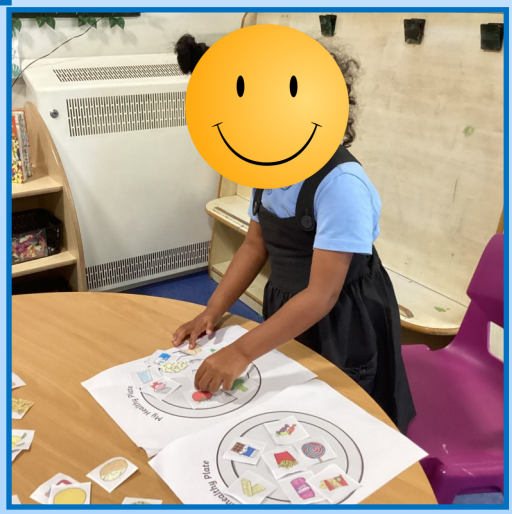

This week reception have been continuing our work around healthy bodies and what foods are good for our bodies.

We have also been moving our bodies in different ways in PE lessons and have felt our heart beat faster when moving our bodies.

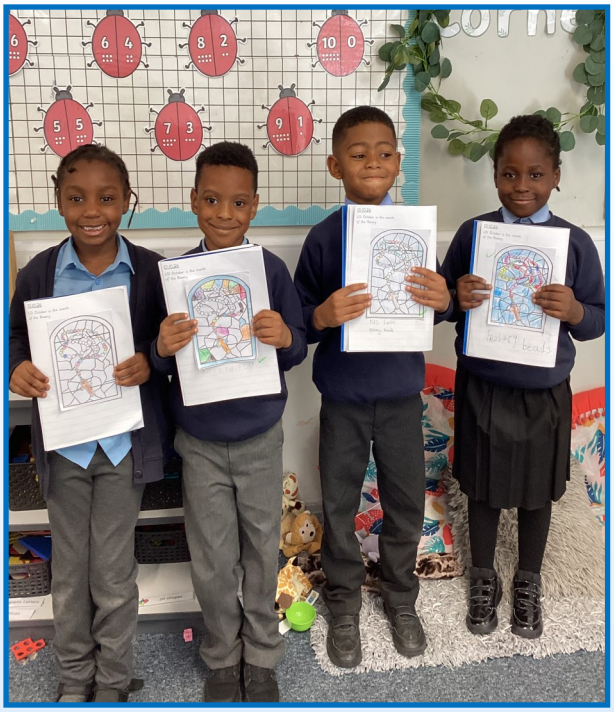

Reception

Year 1

This week Year1 have been learning about the Rosary in the month of October. We have designed our own Rosary beads and have practised the Hail Mary by counting a decade of the rosary.

Year 2

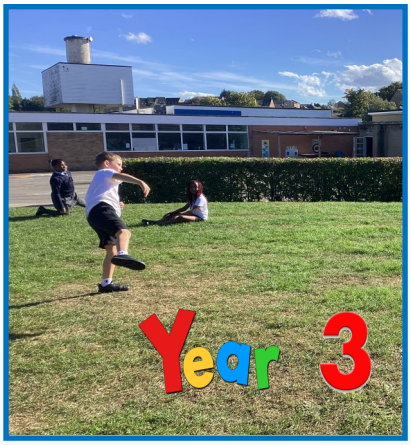

This week Year 2 went outdoors looking for micro-habitats as part of our science lessons. We learnt that these are smaller habitats within a main habitat and usually home to creepy crawlies.

Year 5 have all received their Play Leader training from Pennine Sport.

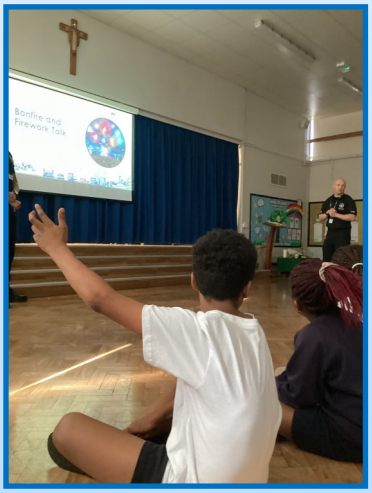

They spent some time in the classroom discussing what makes a good Play Leader and the qualities they need to show before designing their own games.

They then spent some time in the hall and outside playing a range of games and discussing difference scenarios that might happen during their Play Leading. They are all now looking forward to giving up their lunchtimes to play with the younger children and hopefully earn their Bronze, Silver and Gold Play Leader Awards.

Year 6 (along with year 5), were visited by West Yorkshire Fire and Rescue Service,

They discussed Bonfire Night safety along with how to behave responsibly towards the Emergency Services,
