25/30	27/30	25/30	26/30

Individual 100% Attendance Award goes to Isaac from Year 2

EYFS

9th October 2026

Nursery

In Nursery this week we have been looking at how we can match in different ways.

We used puzzle pictures, jigsaws, various objects and even socks!

We have had a busy week this week in reception. We have been learning all about Autumn and created some wonderful Autumn pictures . We also took part in the Rosary retreat and enjoyed making our own rosary beads adding 10 pieces of pasta to represent a decade of the Rosary. We also went into the hall and took apart in our first seeds and gardeners liturgy.

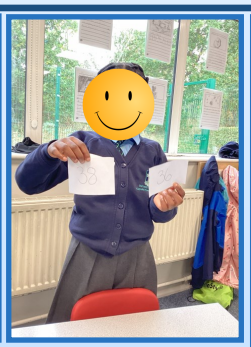

Year 1

This week, Year 1 have gone on a walk of the school grounds on a hunt for human and physical geography features. We noticed that houses, the playground and buildings were human features and that vegetation and weather were physical features, Well done Y1!

Year 2

This week Year 2 had a special session with a coach Georgia from Pennine Sport.

She came to our class on Tuesday so the children could take part in an active story in which they had to solve the clues and complete the space mission.

KS2

9th October 2026

In science this week Year 3 have been learning all about the digestive system!

We have learnt about the different body parts that help us to digest our food and also spoken about the foods that help this system stay healthy.

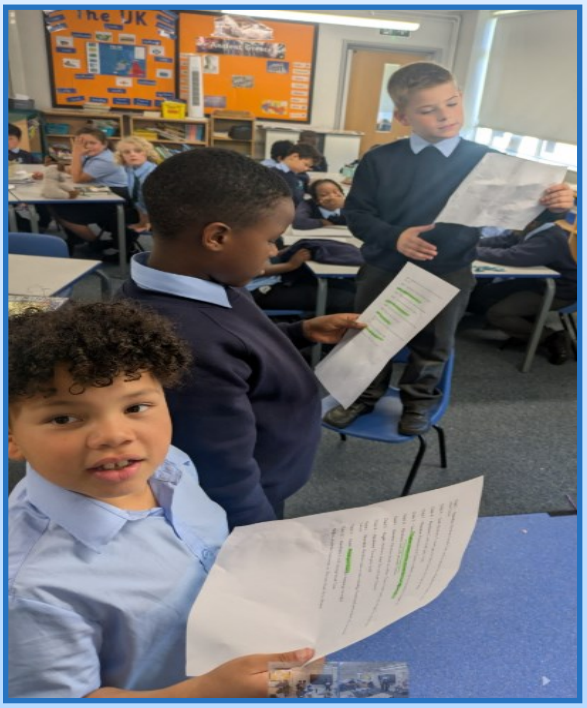

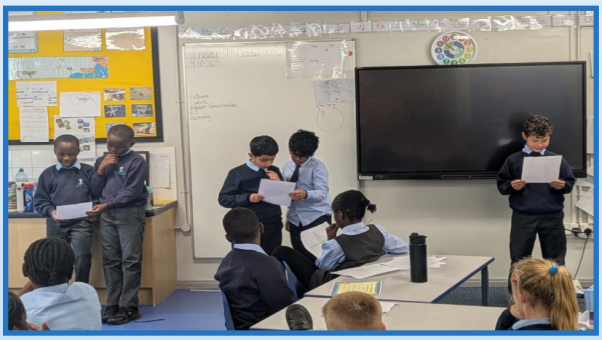

Year 3

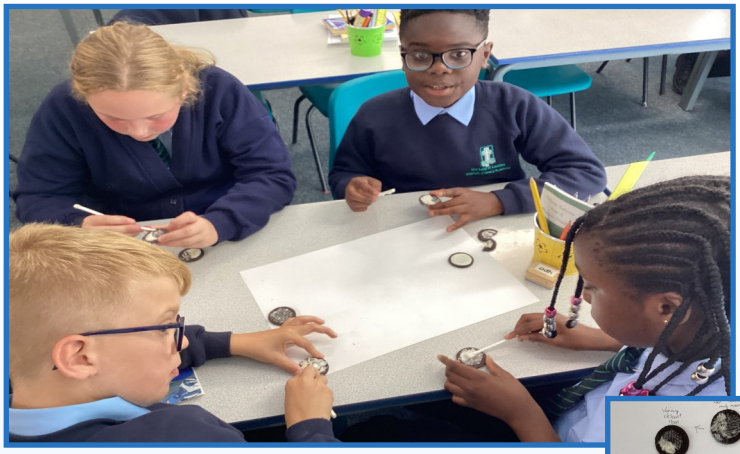

Year 4

Year 4 reflected on the story of Abraham and Isaac. We thought about how strong Abraham was to trust God with his son's life and we also noticed the similarities with Isaac's sacrifice and Jesus' final journey to his crucifixion. Year 4 then created their own performance of Isaac's sacrifice. Well done Year 4 I saw brilliant teamwork when you worked in your groups and fantastic acting when you performed your scripts.

KS2

9th October 2026

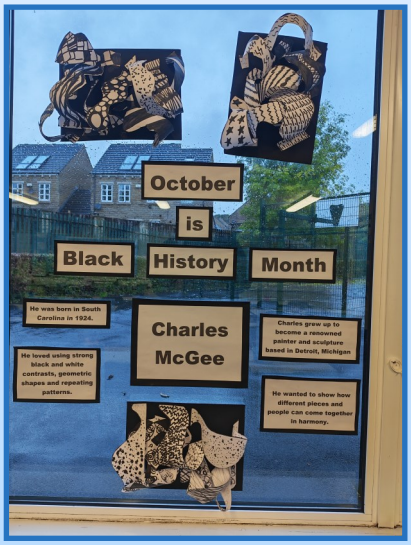

Year 5

In Science, Year 5 have been learning about Earth and Space and this week they learnt about the different phases of the moon. They worked in groups to make a model of the phases using oreos! They got to eat some of the oreos afterwards as a treat.

Year 6

This week, Year 6 completed some fantastic Black History Month themed artwork with Mrs Parker. They looked at the work of the artist Charles McGee and his life story, before completing some fantastic pieces of work using strong black and white contrasts.

Other Highlights

9th October 2026

On the Feast of Our Lady of the Rosary (7thOctober) we held a Rosary Retreat in school. This was where we took a break from our usual curriculum to grow closer to God.

We had different activities which helped us to learn more about Mary and the Rosary and allowed us time for prayer and contemplation to give thanks for Mary. We also made our own Rosary beads so that we can say a decade of the Rosary when we want to.

Our Lady of the Rosary Pray for us.
